If payment is difficult for you, please feel free to contact us.

The contract applies for the entire season. The first two months are considered a trial period.

If you find that the pick-your-own system is not right for you, you may cancel your share up to 14 days before the end of the trial period.

If you would like to change your category during the season, you can do so easily via email.

If no cancellation is made at the end of the season, the contract will automatically renew for the following season.
